

BECAUSE EVERY CHILD DESERVES A CHANCE TO LEARN, GROW, AND THRIVE.

At *Saakar Tathastu, we believe in **sustainable social change* through targeted initiatives that uplift *underprivileged children, women, senior citizens, and the environment. Our projects are designed to provide **education, empowerment, care, and sustainability, ensuring a **brighter and more inclusive future* for all.

PROJECT VIDYA

Across many communities, young dreams are cut short due to poverty. Families facing severe financial constraints are forced to prioritize daily survival over long-term education. Often, children are pulled out of school and pushed into labor to contribute to household income—robbing them of a brighter future.

Project Vidya is a heartfelt initiative by Saakar Tathastu Foundation that aims to change this narrative.

WHY IT MATTERS

- ✓ Prevents child labor by supporting families facing economic hardship.
- ✓ Promotes Sustainable Development Goal 4: Quality Education for all.
- ✓ Builds a compassionate ecosystem where communities uplift each other.
- ✓ Nurtures future-ready citizens who can break the cycle of poverty.

SPONSORSHIP STRUCTURE

To make the support sustainable and transparent, we've divided the annual sponsorship into two easy installments:

- 1st Installment: ₹20,000 (April – September)
- 2nd Installment: ₹15,000 (October – March)

Each sponsorship directly covers school fees, uniforms, books, stationery, and basic educational needs.

WHAT IS PROJECT VIDYA?

A bridge of hope between privileged families and underprivileged children, where each participating family sponsors the education of a child at risk of child labor. Through this sponsorship, children receive access to quality schooling, educational resources, and emotional support—ensuring they not only study, but also dream big.

HOW YOU CAN HELP

By becoming a Project Vidya Sponsor, you're not just funding education—you're investing in a child's future, a family's hope, and a nation's progress.

WHAT WE DO

At Saakar Tathastu, we drive sustainable social change through targeted initiatives that uplift underprivileged children, women, senior citizens, and the environment. Our mission focuses on education, empowerment, care, and sustainability, ensuring a brighter and more inclusive future for all.
